RESEARCH INTERESTS

Numerical Solution of PDEs, Uncertainty Quantification.

CURRENT POSITION

Associate Professor   *2023/12∼Present*
Shanghai Lixin University of Accounting and Finance, Shanghai

POSITION OCCUPIED

Lecture   *2020/03∼2023/12*
Shanghai Lixin University of Accounting and Finance, Shanghai

Research Assistant Professor   *2018/04∼2020/02*
ShanghaiTech University, Shanghai

Postdoctoral Fellow   *2015/07∼2018/03*
Chinese Academy of Sciences, Shanghai

EDUCATION

Ph.D. in Computational Mathematics   *2010/09∼2015/06*
Zhejiang University, Hangzhou, Zhejiang, China

B.S. in Mathematics and Applied Mathematics   *2006/09∼2010/07*
Qufu Normal University, Qufu, Shandong, China

PUBLICATIONS

Co-first Author, * Corresponding Author.

TEACHING
EXPERIENCE

1. At the School of Statistics and Mathematics, Shanghai Lixin University of Accounting and Finance, since 2020. Courses taught:

   (1) Linear Algebra (EM), spring 2022-2023, 2023-2024,2024-2025;

   (2) Advanced Mathematics (B)-calculus I, fall 2020-2021, 2021-2022, 2022-2023, 2023-2024, 2024-2025;

   (3) Advanced Mathematics (B)-calculus II, spring 2020-2021, 2021-2022, 2022-2023, 2023-2024;

   (4) Probability and Mathematical Statistics (EM), fall 2021-2022, 2022-2023; spring 2019-2020, 2020-2021.

2. At the School of Information Science and Technology, ShanghaiTech University, teaching assist for:

   (1) Numerical methods for partial differential equations (postgraduate), fall 2018-2019;

   (2) Linear Algebra (undergraduate), fall 2015-2016.

3. At the International College, Zhejiang University, teaching assistant for:

   (1) Introduction to Calculus I (oversea students), fall 2012-2013, 2013-2014;

   (2) Introduction to Linear Algebra (oversea students), spring 2012-2013, 2013-2014.

4. At the Department of Mathematics, Zhejiang University, teaching assistant for:

   (1) Linear Algebra, Advanced Algebra, 2013/03-2014/01.

ACADEMIC
CONFERENCES

I have attended the following conferences and workshops:

1. "An adaptive ANOVA stochastic Galerkin method for partial differential equations with random inputs", *CSIAM-UQ 2023*, 20–21, May, 2023, Yantai, China.

2. "Reduced basis Galerkin method for partial differential equations with random inputs", *CSIAM 2019*, 19–22, September, 2019, Foshan, China, (contributed talk).

3. *Mathematics Science Forum Based on Material Movement Cognition*, 18–20 May 2019. East China Normal University, Shanghai, China.

4. *CSIAM 2017*, 13–15, October, 2017, Qingdao, China.

5. *International Summer School on Scientific Computing*, 24 July–5 August, 2017, Beijing, China.

6. *10th Annual Conference; Computational mathematics; China Society for Computational Mathematics*, 19–21 September, 2015, Guangzhou, China.

Computer
Skills

Linux, Matlab, LaTeX , html, etc.
